### Mayor Jones Will Discuss That Topic

In His Address at Grace Park on the Afternoon of Bryan Day---Will Tell Why He Supports Mr. Bryan.

"Republic or Empire?" is the topic to be discussed by Hon. Samue M. Jones, of Toledo, at Grace park, next Saturday afternoon.

The speaking will begin at 3 o'clock. Mayor Jones will discuss the issues now before the people from a purely American and non-partisan standpoint. He will tell the people why he believes they ought To elect Mr.

Mr. A. W. Knisely has been selected to preside over the Mayor Jones meeting. The vice presidents chosen are: Messrs. A. W. Knisely H. A. Felton, Chas. Heller, L. W. Heiser, Alexander Bachman, David Rich-George B. Corson, R. B. Walker, T. H. Kane, Joseph Yerrick, Frank Holder, C. A. Eby, Wm. Peters, Barberton; August Zindle, S. R. Stottler.

### WATCH COFFEE. And Watch It Carefully.

Any brain worker that depends on thought for his success in life, uses up daily, by brain work, a varying amount of the delicate particles of

The fine, microscopic particles of is reason for it. phosphate of potash are found in quantities in the pores of the skin after the brain has been used actively. This must be replaced from food, or brain fag and nervous prostration sets

This breaking down of the little cells if the system is not interfered with by cells are broken down by the use of coffee, trouble then begins. Frequently it first shows in dys-

to operate properly, or palpitation of ity and healthy vigor. There is but one thing for a sensible man or woman to do-quit coffee absolutely. 25,000 men in line "Hard to do." you say. Take up Postum Food Coffee, use it regularly phosphate of potash and albumen of have it well made, so it tastes good. which the brain and nerve centers are You will find a well-defined, unmistakable change in your health, and there

You have become breaking down force of coffee, and on the other hand, you are taking a pow erful nourishing liquid food which quickly rebuilds the cells. These are facts,-profound facts, ready for any one to prove to their own satisfaction each day, from brain work alone, is a by actual use. Postum Food Coffee natural process, and the cells can read- is made at the famous pure food facily be built from the right sort of food, tories of the Postum Cereal Co., Ltd., if the system is not infered with by Battle Creek, Mich., and is used by brain workers all over the world. Don't call it a "substitute" for coffee; leave out the coffee proposition altogether. Postum is a liquid food and a true

### Will Run Convention.

MINERS

President Mitchell Will Take no Part.

Believed That He Can Sway Delegates.

Wage Scale Must be Permanently Settled.

### In the Meantime the Strikers Are Patiently Waiting.

body's lips since the order has been issued by President Mitchell. Every local union in the district is selecting delegates today.

President Mitchell will come here tonight or early tomorrow to be present at the big parade. The strike will hereafter be directed from this city where Mr. Mitchell has selected headquarters at the St. Charles hotel.

The convention will be held in Music Hall, the use of which has been do nated to the miners for the occasion The hall is not large and its capacity will undoubtedly be taxed to its utmost, with a crowd of 1,000 persons Acording to District Deputy Dempsey there are 20,000 miners in Distrit No. 1, and the other two districts have at

President Mitchell says that in the convention neither he or any of the strikers are to be left to themselves to lleved, however, that Mitchell can do as he pleases with the convention and whatever result is arrived at will be credited to him. There are two things to be considered which may act as : bar to the immediate acceptance of the offer of the operators. One is the er districts and the other is the lack of any assurance from the operators that the new wage scale, if one is agreed The miners are outspoken in their determination to have the wage scale fixed so that it cannot be changed in ell, in the face of many obstacles, cerainly has a difficult part of the campaign still ahead and the result is ea-

Preparations for tomorrow's big pathe heart or some other lack of vital- rade are completed. It is estimated mass meeting to hear the address of
